Our company is specialist to sell some natural aromas or essences to make liquors and help other liquors finished.

Our principal market is Latin America exporting all kind of our aromas to Cuba, Dominican Republic, Mexico, Peru, Bolivia and Chile. In this moments, we are in full expansion to other markets, approaching our know-how obtained through professional way.

Moreover, we also advise to make liquors and give you some ideas about new liquors in the market. This is our success, offering a leader product in the market.

Hispanoamerican Brokers, S.L offers to customers a great service with high standard quality and choosing best prime goods to create, make and advise to new and old customers about liquors in the world market.

All of kind of our aromas or essences does not contain additives, preservatives, colorants and artificial flavours. This aromas or essences are made by plants, roots, seeds and fruits in hydro alcoholic solution, almost handmade since 40 years and it is endorsed by a lot of liquors in the international market.

We are pleased to help you in some new project to do with the best personal attention by us.

If you need anything, do not hesitate to contact us for all kind of information.

Best regards,

Jose Aznar
General Manager
Hispanoamerican Brokers, S.L.
